

His Imperial Majesty
Ooni Adeyeye Enitan Babatunde Ogunwusi
The Ooni of Ife

2nd April, 2026

Your Excellency, World Air League Commissioner Don Hartzell,

*On behalf of the Throne of Oduduwa and the people of the Yoruba Nation, I extend my profound gratitude for your journey to Nigeria and for your commitment to ensuring that our nation and our continent are meaningfully included in the historic **World Sky Games**.*

*Your visit reflects a noble vision—one aligned with the timeless wisdom of our ancestors—that the world is strongest when its peoples are connected, collaborating, and inspired by shared purpose. The mission of the **World Air League**, as expressed through the **World Sky Games**, resonates deeply with our values: harnessing education, innovation, and the uplifting power of global sportsmanship to protect our environment and enhance sustainable living on our planet.*

*The **World Sky Games** stands as an extraordinary endeavor, uniting nations across the skies in peaceful competition while educating and empowering the next generation. For Nigeria, participation is both an honor and a responsibility. It offers an unparalleled opportunity for our youth to engage in aviation science, green technologies, climate awareness, and cultural exchange on a world stage. It is a pathway for cultivating pride, global citizenship, and environmental stewardship.*

*Your challenge to establish the **Nigeria Local Organizing Committee** and to assemble a distinguished **Nigeria Airship Team** is received with great enthusiasm. I formally accept this charge and affirm my commitment to support the creation of a team that will embody the spirit, resilience, and aspirations of the Nigerian people. Our participation will stand as a living expression of our nation's pride, capability, and readiness to contribute meaningfully to this epic global project.*

*As we embark on this journey together, may our collaboration elevate not only Nigeria but also the collective future of all humanity. The skies belong to every nation, and through the **World Sky Games**, Nigeria shall take its rightful place among the leaders of tomorrow's sustainable world.*

With my highest esteem and royal blessings,

His Imperial Majesty,
Ooni Adeyeye Enitan Ogunwusi,
Ojaja II,
Ooni of Ife.
